

# WINONA NOON LIONS EMERGENCY CALLING TREE

## How it works -

President calls Secretary and all three Vice Presidents.

Each Vice President relays call to the **Team Leaders (TL's)** in his/her column.

Each Team Leader then calls the members of his/her team.

**If necessary to report back,** team leaders report back to VP's, and they report back to President.

Lots of hours spent reformatting, obtaining and adding cell phone numbers to this sheet as well as to the roster and sign-up sheet, checking & re-checking, and yet mistakes are still possible. Please check your own information and report any updates, changes, and believe it or not, a possible mistake. Your help is appreciated.
